

Manavon Cares Holiday Drive

Manavon Cares supports families in the **Manavon community**.

This year, children have selected needs and wants in order to create an Amazon wish list we can direct order from. **All items should be delivered to the school** to reduce the amount of people handling the items and allow virtual families to participate.

Please consider supporting these Manavon families in need by purchasing an item from the wish list... you can have your own child help and get into the holiday spirit by selecting an item they think is needed or fun!
