It's Fun to Get ART SMART!

Beansprout Creative's unique Art Enrichment program combines art history and appreciation, with a hands-on learning experience. This is an **8-week** exploration of art styles, influential artists, and important periods of art history. At the elementary level our projects will also be diving deeper in the principals and foundations of art.

What is the Cost?

Sessions run for 8 weeks and costs \$140 per session. This includes all materials and, of course, the fabulous artwork that your child will bring home each week (New projects every class)!
